Re: United States V. Manuel Guerra, 2:17-cr-00137-O-BR-1

Dear Honorable United States District Court:

My name is Manuel Guerra and this letter is in concern of the above entitled and numbered cause. I am writing this letter seeking an indefinite extension to file my Post-Conviction Petition under Title 28 U.S.C. § 2255. My conviction became final in March of 2020, giving me a current filing deadline of March of 2021. Since the start of the one (1) year statute of limitation, the current pandemic has restricted my access to the court (prison law libraries), not to mention, I have been transferred from facility to facility and am not being allowed to travel with my legal materials. I am currently at my Fourth (4TH) facility this year, awaiting transfer to the B.O.P. where I am not being allowed access to any law library or alternative remedy (like LEXIS/NEXIS) and can not have my legal materials mailed to me because I do not know how long I will be here, and will not be able to travel to the B.O.P. with them.

Because of the above facts and the current uncertainty revolved around this current pandemic, Guerra seeks an indefinite extension to reflect the one year limitation start date, from the day access to the courts is reinstated.

Prayer

I, Manuel Guerra pray this Honorable Court **GRANT** me an indefinite extension to file my Title 28 U.S.C. § 2255 so that the record reflect that my one year limitation clock not begin until access to the court's records (prison law library) be restored so that I may conduct the necessary research and ~~fit~~ be able to file a meaningful Petition.
